L'Art de Vivre

In the heart of the metropolis

ARCHITECTURAL FORM

The hyper form is characterized by subtle contours and fluid lines. From every angle, the facade offers a new perspective, creating a visual mystique — an exquisite sculptural work forming a spirited sense of flow and movement.

ENTHUSED BY THE FRENCH RIVIERA

Imagine waking up to the sound of waves crashing on the shoreline and stepping out on to your terrace to soak in the enthralling views of your own private beach. The hyper form is inspired by the flair of the French Riviera, depicting L' Art de Vivre.

BUGATTI DNA

Drawing inspiration from Bugatti's iconic super cars, the hyper form is designed to embody the essence of the brand's ingenious and visionary spirit, evoking the sense of exuberance and refinement found at Bugatti. The hyper form features high-end finishes, exquisite craftsmanship, and the latest state-of-the-art smart home system derived from the Bugatti DNA — always challenging the impossible.

AN ENTHRALLING SCULPTURE IN THE MOST ICONIC CITY

An aerial photograph of Monaco at sunset. The city's lights are on, reflecting on the water. The sky is a mix of orange, pink, and blue. The sea is filled with many boats. The city is built on a hillside, with buildings of various heights. The overall mood is serene and luxurious.
